## Our Changing Liturgy

1

---

### **Did you know that the translation of the Mass which we currently use is going to change?**

The texts we have now have been in use since 1970 and in September we will begin to use a new translation.

Over coming weeks there will be short handouts each week which will help us to understand what these changes are and why they have come about. We'll keep copies of each installment at the back of church, in case you miss one.

There will also be plenty of opportunities provided to learn more about it and become familiar with the changes.

A number of evening sessions will be arranged as soon as we start using the new translations for those who would like to find out more. We will publish some material ourselves and will also provide web links for those who have internet access.

This will be a great opportunity for us all to learn more about the Mass and deepen our understanding of the liturgy and its meaning and relevance for us in our lives today. Watch this space!
